Who We Are

The Nebraska Petroleum Marketers and Convenience Store Association (NPCA) advocates its members' views before the Nebraska State Legislature, the United States Congress, and the White House. NPCA's mission is to empower the success of its members through advocacy, education, and networking. Let us advocate for you, so you can focus on your bottom line.

ASSOCIATE DUES.....\$ 460.00
SUPPLIER DUES..... \$1,900.00
WHOLESALE DUES.....\$1,900.00

AMOUNTS LISTED INCLUDE THE OPTIONAL \$100 PAC CONTRIBUTION

Active member dues are calculated on the basis of total gallons of fuels (not including propane) sold. The first 3,500,000 million gallons are assessed at \$0.315/1,000 gallons, the next 3,499,999 million are assessed at \$0.11/1,000 gallons and all gallons over 7.5 million and greater are assessed at \$0.04/1,000 gallons. There is a minimum dues of \$200.00 and a maximum of \$4,045. For example, if you sell total gallons (gasoline, taxable diesel and non-taxable diesel) of 7,658,098 your dues would be: (3.5 million gallons X (\$0.315/1,000)) = \$1,102.50, + (4 million gallons X (\$0.11/1,000)) = \$440.00, plus (7,658,098 - (3,500,000 + 4,000,000)) X (\$0.04/1,000) = \$6.32, for total dues of (\$1,102.50+\$440.00+\$6.32) = \$1548.82.

ACTIVE MEMBERS

For petroleum marketer/convenience store operations engaged in wholesale distribution or sale of petroleum products with motor fuel tax numbers, dues are based on the total annual gallons you sell, as listed on the Gallonage Report from the Nebraska Motor Fuels published annually by the NPCA. Dues range from \$200-\$4045, or just pennies a day.

SUPPLIER MEMBERS

Refiners/Terminal position holders who sell refined petroleum products directly to jobbers, through distributors or direct to commercial accounts. Dues are based on annual yearly sales of petroleum products under 10 million gallons to over 25 million gallons. Annual Dues \$1,800, suggested PAC contribution of \$100.

WHOLESALE MEMBERS

Company is only engaged in the sale of petroleum to other companies on a wholesale basis and doesn't directly operate any retail locations. Annual Dues \$1,800, suggested PAC contribution of \$100.

ASSOCIATE MEMBERS

Any person, firm, corporation or association engaged in the manufacture, distribution of sale equipment, merchandise, and services to wholesale oil distributors of jobbers. Dues are as little as \$360, suggested PAC contribution of \$100.

NPCA PAC

Contributions made to the NPCAPAC (Nebraska Petroleum Marketers & Convenience Store Association Political Action Committee) are set up to assist in the election process for state constitutional officers and members of the Nebraska Legislature. (Optional) These are suggested contributions only.
